ANNUAL REUNION 2021

- The pandemic from Coronavirus as well as the cyclone Amphan have played havoc with Kolkata for the whole of 2020 and things are still not normal. We have been avoiding large gatherings since 22nd March 2020 and even as we are writing this, cases of COVID 19 are rising again.
- We thought it prudent not to rush with things right away. Our first priority now remains the reopening of the Free Clinic which is inactive since April 2020.

WE LOOK FORWARD TO INPUTS, SUGGESTIONS & SUPPORT FROM YOU.

Interaction with the School

Fr. James sj, our President was very gracious in inviting the Secretary to be a part of the school Annual Day for the Primary and the High School sections on 21st December 2019. The events put up by the children magically transported us to the days long lost in time. Everything about the events on both days was simply fantastic. Our Treasurer Mr. Shankar Banerjee and I were also invited to be a part of the Farewell to the Class XII students leaving school on 6th December 2019.

Ensemble 2019: International Day of Sports for Development & Peace

St. Lawrence High School together with their alumni SLOBA hosted **Ensemble 2019** and celebrated *International Day of Sport for Development and Peace (IDSDP)* on 6 April 2019 at St. Lawrence High School ground.

More than 2000 students of SLHS and other schools of Kolkata along with students from **Joydeep Karmakar Shooting Academy** formed a design on the school field. Each person standing in the artistic diagram was carrying a national flag of a particular country. These national flags meant when it's the question of peace in the world they are all together and the medium being sports. The national flags were displayed all at once before flipping it over to the other side, which was a plain white card, symbolizing peace through sports and one world. Students had a couple of hoardings which read, 'We Play Together', it spelled out peace, friendship and harmony through sport.

The Youth Olympic silver medalist and teenage shooting sensation Mehuli was on the field and raised her white card for peace through sport. Mehuli was specially invited by **Peace and Sport, Monaco** to join and support Ensemble 2019. Along with Mehuli there were a few notable shooters including Ankur Das, national champion in para-shooting and Abhinav Shaw, the youngest gold medalist in Khelo India.

Rev. Fr. Sebastian James S.J. who has been a great supporter of peace and development through sport movement said, "Initiating and creating a symbiotic relationship among children and adults through sport is very important in today's world".

Expression 2019: A Report on the International Event Held at St. Lawrence High School

Expression 2019 was celebrated in the school on 20th June 2019 in the presence of Olympian Mr. Roald Bradstock (Olympic Picasso) and **Ms. Diane de Navacelle**, the great great grand niece of the **Father of Modern Olympics- Pierre de Fredy, Baron de Coubertin**. Ms. Diane represents **Association Familiale Pierre De Coubertin (AFPC)**. It is also noteworthy to mention that 2019 marked the 125th anniversary of Pierre De Coubertin's famous speech at the Sorbonne and the opening of the new International

Olympic Committee headquarters in Lausanne. Ms. Diane is also an artist and a member of Olympic Art in International Olympic Committee.

The theme for this year's competition was '**Sport-Environment-Peace**' (emphasis on Olympic Games and the Environment). A sound body in sound mind, involved in any sports, always depends on environment. Therefore, promoting environment through sports makes it easier to educate children on the importance of environmental sustainability. Even in Olympic Charter it is mentioned to organize green Olympic games to promote environmental sustainability. It is of primary importance that children at school level be made aware of Achieving Peace and Environmental Sustainability through Sports, that synced perfectly with the theme for the year's Expression 2019. And what a better way to encourage a child's self expression if not through art! After all the essence of Art is expressing oneself! And the best way to understand their mind is through their own illustrations.

Thus, the idea was conceived to hold a Drawing and Painting Competition to help children harness creativity and perceive and nurture desired human values through drawings, illustrations and art. Apart from this competition held globally as well as locally with many Kolkata schools participating in the event on the day, the students of St. Lawrence High School together with a few teachers and alumni members visited **Mentaid**, a school for differently abled children on 21st June 2019 and spent time with assisted the children at the institute to enable them to express their artistic talents on paper.

Mr. Noomi Mehta, past secretary of ALSOC and an eminent citizen of Kolkata very graciously hosted a dinner for Ms. Diane, Mr. Bradstock and teachers and alumni of St. Lawrence High School at his residence on 20th June 2019. Earlier, SLOBA hosted a lunch for the same group at the Dalhousie Institute Kolkata.

Jesuit Alumni/ae Associations of India (JAAI)

SLOBA is an active participant at JAAI with our alumnus Amitava Gupta being a member of the Northern Zonal Council of JAAI and Mr. G.P. Gupta a past National Council member. SLOBA participated both in the Northern Zonal Conference held in Patna on 14th and 15th September 2019 and the National Conference at Trichy on 17th, 18th and 19th January 2020.
